Face: Jack-o-Laterns																						
Decorative Pumpkin																						
Gourds																						

The above chart shows the normal weeks that varieties of fruit planted at Gogle Farms will ripen for Pick-your-Own. Depending on actual weather conditions, the fruit may ripen earlier or later by 1-2 weeks. Call ahead or check Facebook to confirm the actual ripening schedule for the present season. Some varieties of Apples may be available from our cold storage after the Pick-your-Own season ends and into November.
